With high performers, keep in mind the goal - to maintain high performance - and frame those conversations accordingly. 4. Lastly, high performers have a relentless drive for quality. If you ask employees, they would tell you they do quality work.

4 Tips for Identifying and Developing High-Performing ...
High Performers have uncommon clarity about three things: (a.) who they are, (b.) what they desire and, (c.) how they intend to perform and interact with other people. By knowing these things, they can stay true to themselves, in their zone, and highly intentional. Without clarity, there is no way you can reach high performance.

What Is High Performance? | HuffPost Life
Depending on the needs of the team in each neighborhood, your high performance workplace might need to provide open plan seating for team work, comfortable lounges for brainstorming, a café for encouraging impromptu collaboration, as well as more private and quiet areas for focus work.
