You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

The Vietnam War was the prolonged struggle between nationalist forces attempting to unify the country of Vietnam under a communist government and the United States (with the aid of the South Vietnamese) attempting to prevent the spread of communism.

What Everyone Should Know About the Vietnam War

Playboy magazine first hit newsstands in December 1953, so it was quite well established by the time the United States joined the conflict in Vietnam. Derided by a portion of the population as disgraceful smut, the common retort from the men who perused the sordid pages was "I just read it for the articles." A BETTER PEACE welcomes Amber Batura to the studio as she discusses Playboy's place ...
